

## August Block

### Fabric A

Cut:

One 5 1/2" square

Four 3" squares

### Fabric B

Four 3 1/8" squares

Four 2" X 4 1/2" rectangles

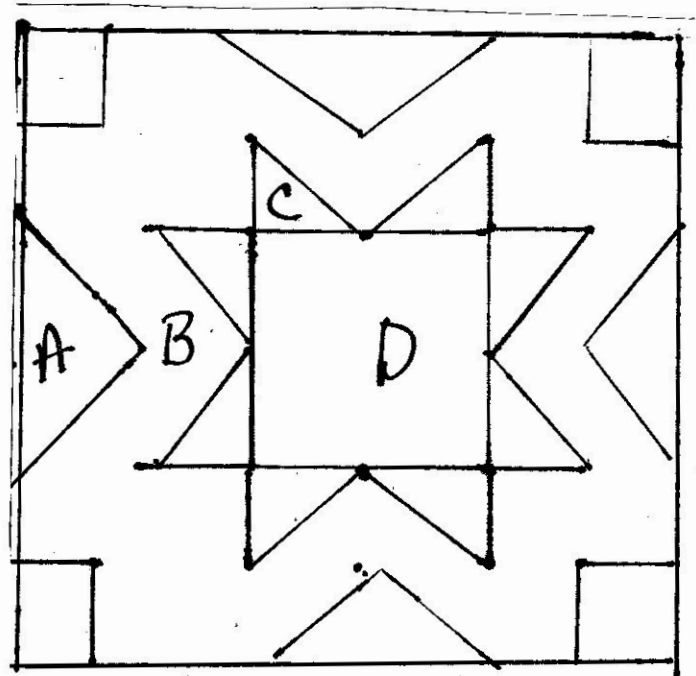

Four 2" X 3" rectangles

### Fabric C

Four 3 1/8" squares

### Fabric D

One 4 1/2" square

**I have included a blank star so you can color it your way.**

Make 4 flying geese with 5 1/2" squares and the 3 1/8" squares. A/B and B/C.

The cutting directions assume the no waste method for assembling the flying geese

Trim to 4 1/2 X 2 1/2"

Assemble corner units using the 3" squares and the rectangles. Be sure to make two left and two right.

Now assemble your star around the D square.

Enjoy your stars – the best is yet to come
