ANNOUNCEMENTS:

Laura Divine has stepped up to be our Speaker Hospitality Chairperson.

We are still seeking an Assistant Workshop Chairperson to Andrea Ramirez.

Barbara read a cute quilting poem “Ode to Quilting”.

Judy Hively is out of town however; everything is up to date and we are in fine financial shape.

The yearly audit has been performed and everything is in order.

Barbara has received several quilt items from someone & is happy to share them – please contact her if you are interested.

WORKSHOPS –

Andrea reported that the October speaker has changed and will now be Hollis Chatelain. There will be no class by her; however, a “sew-in” is planned for October 14, 2020.

There are 12 students enrolled in tomorrow's class by Jenny Lyon. There is plenty of room and the cost is only \$25-.

Jean Imprey is our November speaker & instructor.

It is not likely that we will be allowed to have our planned November retreat due to COVID 19 issues. The names of those who expressed interest are maintained on a list that will be used if by chance we can go ahead with this.

UFO –

Maribeth says check the newsletter for updated policy on this program. You can still enter or update your UFO list. Quilt pictures can be submitted to Maribeth for credit. One raffle ticket will be given for each completed project on your list. There is a \$5- entry fee for this. Prize drawings are planned for December. Maribeth's email is meriquilter@yahoo.com.
